NLMD Lake Vegetation Removal Workers Notice

North Lake Management District (NLMD) is looking for young adults to work for the summer in our lake vegetation removal program. This job gives you the opportunity to work outdoors on the lake operating our weed skimmer and doing other tasks. You will typically work 15-30 hours during the week (no weekends). The work typical starts in late June and continues through the end of the summer. Pay is \$12.50/hr. You should be 18 or older. If you are interested contact me at Jbast@matw.com.

In addition, we are looking for volunteers to help out. If you'd be interested in driving the skimmer as little as 1 day a week, we'll make room for you.

Jim Bast
