Dear North Lake water enthusiasts: Safety Tips and Reminders

With the summer upon us the fun and good times on the lake are picking up, we wanted to send a friendly shout out for everyone's safety on the lake.

The lake parties will be in full swing and with that brings more activity and traffic on the lake so please keep these safety tips in mind as we want you to be in compliance with all 3 of the agencies that will be patrolling our lake this summer...the fines are not fun! Please take a minute and familiarize yourself once again with the Wisconsin DNR Boater Safety Regulations and the Safe Boater Guidelines.

Here are just a few highlights:

1. Anyone under 13 must wear a life-jacket on a boat at all times. Make sure you have a life-jacket for all aboard your boat for Personal Water Craft (PWC) a life -jacket is to be worn at all times.
2. Have your registration with you on your boat or PWC. If fishing, have your license.
3. After sunset you must have your navigation lights on.
4. Boats over 16' must have a throwable portable floatation safety device on board.
5. DUI (DWI) rules for automobiles apply to boating as well.

Please keep an eye out for swimmers, tubers and paddle-boarders and respect proper distances between other boats and PWC.

Let's all have a safe fun and enjoyable summer

Respectfully

North Lake Stewardship Committee
