## NORTH LAKE MANAGEMENT DISTRICT

### NEWSLETTER

#### Fish Stocking

The North Lake Management District (NLMD) would like to give special thanks to all (see below) who contributed to our fish stocking/management program this year. NLMD successfully released 3000 walleyes, 2000 perch and 1000 crappies into North Lake on October 5<sup>th</sup>. NLMD received slightly over \$6,250.00 in contributions thus far. Gollon bait and fish farm came through again for North Lake delivering hearty looking 6 to 9" walleyes, 3" perch and 4" crappie.

All contributions are tax deductible, and any amount is appreciated. There is still time to donate. A final acknowledgement letter will be sent before Thanksgiving. Please make your check payable to NLMD, and show "fish management/stocking" in the memo section. Your check should be sent to Don Reinbold, Treasurer, N73W32385 River Road, Hartland, WI 53029. A donation to fish stocking contributes to a healthy ecology and lasting future catches creating many happy memories.
