North Lake Management District would like to give a special "Thank You" to all of you who have supported the 2021 fish stocking & fish management program.

As announced previously NLMD successfully released 3000 walleye, 2000 perch and 1000 crappies into North Lake on October 5<sup>th</sup>.

Your tax-deductible donations are accepted throughout the calendar year. The benefits are numerous and much appreciated to help the ecology of the lake. In addition, NLMD can help provide a fishing experience for generations to come.
