

North Lake Carry-in Access Development Informational Meeting – December 14, 6-8 pm.

Greetings North Lake Carry-In Public Access Stakeholders,

*The Wisconsin Department of Natural Resources is currently developing a carry-in access site on the state-owned property located off of Reddelien Road in the town of Merton. We would like to extend an invitation to all of our stakeholders for a virtual informational meeting from **6-8 pm on Monday, December 14th**. For the safety of our employees and stakeholders, we will be holding this meeting 100% online using zoom as a platform. We plan to start the meeting with an informational presentation by Ben Heussner, WDNR Fisheries Biologist. After the presentation we will open the meeting up for questions and comments. We hope you can join us for this live virtual meeting. Please feel free to forward this email to other stakeholders that may want to attend. If you are unable to attend and would like to provide comments or have questions, please contact benjamin.heussner@wisconsin.gov or feel free to give me a call at 414 303 0109.*

We look forward to meeting with you!
