2021 Fish Stocking

For 2021 North Lake Management District (NLMD) released 3,500 walleyes into North Lake in October. Our hatchery this year, once again was Gollon bait in Dodgeville. The cost of one walleye increased about 8% to \$2.10 each. NLMD would like to acknowledge those who contributed. NLMD will accept your tax – deductible donations throughout the year and any donations through our next stocking phase will be acknowledged and carried over into 2022. Thanks to your generosity NLMD has about a 1,400 carryover for next season for fish stocking. You can make your check payable NLMD and send it to our treasurer Don Reinbold N73W32385 River RD. Hartland WI 53029. Call for details on your personalized walleye clinic (Scott Jankowski 262-844-6357) after March 1st for your May –June fishing experience.
