## NORTH LAKE MANAGEMENT DISTRICT

### NEWSLETTER

June 18, 2022

#### Aquatic Plant Control Committee and Aquatic Plant Pickup Program

Many of you are aware that the Basts moved off North Lake. We would like to thank them for their past services on leading this committee and related projects.

John Muehl will now be heading up this committee and related projects. He can be reached at [shanon02@aol.com](mailto:shanon02@aol.com). Thanks for leading this committee.

The Aquatic Plant (AP) pickup program will start Thursday, June 23, subject to weather—alternate date Friday, June 24<sup>th</sup>.

The following are the detailed procedures related to this service.

1. The service is provided every Thursday subject to demand and weather with a rain date of Friday for AP pickup.
2. The Aquatic Plants must be at the end of the pier. Spread out the AP's as best you can to facilitate drying. Otherwise, they will not be picked up.
3. The Aquatic Plant should be removed from the lake at least two (2) days prior to pick up on Thursday due to the weight of the Aquatic Plants (heavy water content). Otherwise, they will not be picked up,
4. Rocks should not be included with the Aquatic Plants.
5. If there is excessive lake bottom mixed in with the AP's, they will not be picked up.
6. We do not clean piers. Sand, rock and scraps of AP will be on the pier when we are done.

Wet AP's, rocks, lake bottom are hard on our people and equipment.

Thank you for your cooperation.

## NLMD Annual Meeting

This year's NLMD Annual Meeting will be Thursday, August 25 at 6:30 p.m. at the Town of Merton Town Hall, W314 N7624 WI 83, Hartland, WI. We will have some very interesting speakers covering some very important topics related to North Lake. Hope to see you there.

Commissioners of NLMD
