We are a go! But we need \$\$ to finish the whole job!

Dredging Update

The DNR has informed us that they plan to approve the dredging permit for Schneider Bay and the additional cubic yards in Ice House Bay. Per the official DNR communication: "The Department has made a tentative determination that it will issue the contract for the proposed activity". The permit is in the Public Notice Period and will be finalized shortly after the notice period ends.

All other permits have been approved and received: DOT, Town of Merton conditional use permit, Waukesha County floodplain zoning.

Contracts with Halquist Stone for the Dewatering Site and Michels Corp for the dredging have been executed

Prep work outside of the lake will begin on August 15

In lake work will begin after Labor Day, 2022

Fundraising

Please send in your donations now!

Total Project Cost	\$2,457,356
Total Funds Committed	\$1,829,430
Shortfall	\$ 627,926
Anonymous Donor Match	\$ 250,000
Funds to Raise	\$ 377,926

An anonymous Donor will match \$ for \$ up to \$250,000 on any new commitments or donations after August 12, 2022 leaving \$372,926 left to raise.

Donation Suggestion

If you live in the area to be dredged: \$5,000 minimum total donation

If you live outside of the area to be dredged: \$2,500 minimum total donation

If everyone follows the suggestion, we will have enough to dredge all of the identified sediment out of the North bays.

Preparation for Dredging

Boat lifts, piers, rafts, & any anchor lines need to be removed from Ice House Bay by Sept 19

Boat lifts, piers, rafts, & any anchor lines need to be removed from Schneider Bay by October 30

The NLYC Launch site will be closed for one day to launch the dredge. We expect this to take place on Sept 6th and reopen on Sept 7th; however, this date could shift based on when the job the dredge is currently on finishes. We will communicate the actual date as we get closer to it.

Thank You!

Thank you to the following people that have donated to the dredging effort! If your neighbors are not on this list, please reach out to them and fill them in on the importance of this project. We still have 76 people that have not committed to the project. Mark Theisen is available to answer questions related to the project. He can be reached at markjtheisen@gmail.com.
