## NORTH LAKE MANAGEMENT DISTRICT

### NEWSLETTER

### **ANNUAL MEETING REMINDER**

The NLMD Annual Meeting will be held on Thursday, August 25<sup>th</sup>, at 6:30 p.m. at the **Town of Merton Town Hall**. We have some very interesting speakers and topics arranged for the meeting. We will give an update on the dredging project and the lake study among other issues.

Hope to see you there!

### **AQUATIC PLANT HARVESTER/SKIMMER (APH/S) OPERATION AND WEED PICKUP FROM PIERS PROGRAM**

APH/S operators, as well as the people that work on the weed pickup pontoon, are mainly college students and leaving for school soon. As a result, the APH/S operation will end Wednesday, August 17, 2022. We planned to have one more day (August 18, 2022) for the weed pickup from piers, but our people responsible for that operation are not available so the last weed pickup from piers was Thursday, August 11, 2022.

### **NLMD WEBSITE**

The NLMD Website (NLMD.org) has been updated and refreshed. It now includes the Phase II Lake Study as well as many other new items. Please check it out. Any suggestions for additional improvement are appreciated.
