## NLMD Dredging Update Newsletter

Dredging update – We are in the home stretch!

The dredge is back on the water and working on the East shore of Ice House Bay. Things will move quickly from here; we expect the dredging project to be completed prior to Memorial Day.

We are closing in on our fundraising goal but still short of the funds required to complete the entire project. If we don't have sufficient funds on hand, we are forced to end the project when the funds run out as the authorization received at the special meeting for the dredging project only allows us to spend what has

been pledged to the project. As of this writing, we are approximately \$71,000 short of the amount required to complete the project.

If you would like to contribute to the project, please email the amount to me at [markjtheisen@gmail.com](mailto:markjtheisen@gmail.com) so I know where our project total is at and mail a check for your contribution amount to:

North Lake Management District  
Don Reinbold, Treasurer  
N73W32385 River Road  
Hartland, WI 53029-8512

For those using a Donor Advised Fund, NLMD's Tax ID 30-0799991 and Don's Phone # is 262-510-6113

Lake management districts created under chapter 33 are governmental entities exempt from income tax and gifts to NLMD are deductible for federal tax purposes if the gifts are made for a public purpose. The dredging project should qualify as a public purpose. Please consult your tax advisor.

**CAUTION!! There are multiple dredge pipelines in the North Bays of the lake.**  
Please be on the lookout for these pipelines and keep you distance.

Thank you for your patience as we wrap up this project.

Thank you to the following people who have financially supported the dredging project:
